March 20, 2020

We wanted to give you an update of IPB operations. As of now, hearings will be proceeding through the end of March 2020. Hearings the first two weeks of April will be continued to May. This will affect Rockville Corrections (RTC), Indiana State Prison (ISP) and Plainfield Corrections (IYC). On or about April 6th we will evaluate hearings scheduled for the remainder of the month. We will generally follow the lead of the county courts in this matter. If they remain closed only to essential services, we likely will do the same.

As you are aware, we must see someone within 60 days of their availability at a parole revocation hearing. We are invoking the *“good cause exception”* to this deadline that is found in **IC11-13-3-10(e)** in these matters. Hearings will be continued to the next scheduled facility hearing day once we resume normal operations.

Thank you for your understanding as we work together to keep everyone safe.

Gwendolyn Horth
Chair, Indiana Parole Board
